

Zija's XM3 Drink combines Moringa nutrition, natural energy and appetite control in a convenient and delicious beverage.

Moringa oleifera is considered by many to be the most nutrient-rich plant ever discovered. This all-natural beverage lets you drink in its healthy antioxidants, minerals, omega oils, vital proteins and cell-ready nutrients. XM3 also delivers real, sustainable energy that is fast-acting and long-lasting, without the harmful neuro-stimulants, artificial ingredients, flavors, preservatives, stabilizers and sweeteners present in other so-called "energy drinks." As if that weren't enough, XM3 promotes a lean body through appetite suppression, thermogenesis and weight control.

XM3 Natural Energy Ingredients

- Natural Green Tea - for weight loss and improved brain and circulatory function.
- Ginseng - for weight control and metabolic energy, without harmful side effects.
- Natural Caffeine - a safe central nervous system stimulant.
- Natural Desert Tea - increases cardiovascular capacity and improves oxygenation and circulation for improved metabolic energy and immunity.
